Newsletter - Roving Reporters

We have always been a school who have given our children a voice. We have consciously chosen never to have a formal school council, as we listen to the views of anyone and everyone who needs or wants to share their perspective.

This is now extending to our school newsletter, which has the same look as when written previously, but is actually being collated by some new roving reporters. Some of our Y6 pupils asked if they could support me with this and of course, as a very busy HT, I was grateful of their help.

Each week, my reporters will visit class teachers, teaching assistants, midday assistants and other pupils to get their take on what they have enjoyed about school this week. I know they have been respectful, polite but also asked open (and sometimes amusing questions) to elicit their responses. They then collate this for me and write a draft newsletter which I then bring together – a real team effort. We hope that you enjoy reading this – and a BIG THANK YOU to my roving reporters (see below)

Parking Reminders

As a school, we get lots of complaints about parking issues. Whilst we are not responsible for the local highways, we are, as a community, responsible for teaching our children how to be safe. We model this through where we park, how we drive and how we cross the road. School does not have our own crossing patrol as the funding to this was cut several years ago by the council. We have trialled various different approaches to this and yet still we receive emails and phone calls about near misses, blocked driveways and road rage. Please help us to educate your children the right way by setting the example to them too.

A Message from the Headteacher

Louder than the average week!

Dear Parents and Carers

September is in full flow and we have had lots of excitement to report this week. Let's see what everyone has been up to...

This week, Nursery children have been demonstrating good ball skills. They have also shown what amazing listening skills they have and have been learning to put their coats on too!

In Reception, pupils have had an amazing first full week and have completed a self-portrait each. We all do one of these each year to see how we change over time and how our skills improve the older we get!

In Year 1, children have loved music and have liked learning about dynamics. Ask your child what this means in musical terms!

In Year 2, pupils have been writing about 'Bog Baby' in English. They have also been learning about the Wright Brothers in History. Ask your child what they were famous for?

Year 3 children have been learning about the Stone Age. They have been discussing 'assets and threats' and how this related to life during the Stone Age.

Year 4 pupils have used xylophones and recorders and looked at how ears work and how pitch changes in Science – Mr. Parkes reports that he is still not over this cacophony of noise! They have also used different number lines in Maths.

Year 5 pupils have continued to impress at swimming. In English they have been thinking critically about the role of European countries.

Year 6 pupils have moved onto addition and subtraction in Maths.

Mr. Cooke has been busy preparing the school sports teams for the year ahead. The girls' football team have their first match today – GOOD LUCK to them!

Another action packed week as a Woodie – time for a breather. Let's do it all again on Monday, Woodies (well, maybe not the recorders in Y4!)

Have lovely weekend everyone.

Mrs Reyes

Boo the Badger

Each week, Boo visits a class in the infants and juniors who have good attendance, good attitudes to learning and who demonstrate the positive attributes that make us each a 'Woodie'.

This week Boo has gone to visit:
Miss Schofield's class – Y1

Mr. Parkes class – Y4

His message though is
'Miss school, Miss out' – We love having you here and so does Boo!

FOOTNOTE

If you can, please join us on Friday 26th September between 9:15 and 11:00am in the school hall. Please look out on School Spider for further information about this.

Upcoming Diary Dates

Friday 26th September – Parents/Carers– Macmillan Coffee Morning – Hall – 9:00 – 11:00am
Week commencing Monday 20th October – Parents Evening Appointments
Further detailed information will be sent via School Spider nearer to the time of each event.
